To our Valued Customer: RAYMER EXCAVATING

At CLS we've resolved to run our business as efficiently as possible, to enable us to provide excellent service and competitive prices! With the growth we are blessed with and the gas prices that plague us all, we've taken a close look at how we run our routes. As such we will be performing a reroute starting **June 12th**.

Please see your June and July deliveries on the calendars below. Be sure to note our altered holiday schedule for July 4th!

Starting June 12th, you will be changing routes and your new Route Service Professional will be Doug. He will take great care of you!

Your delivery will remain on Tuesday

Please contact Customer Care with any questions: (800)878-4357
